# School Fees 2011-2012

Tuition fees for the academic year 2011- 2012 are as follows:

**Senior School £3,330 per term**

**Junior School £2,642 per term**

In addition to Scholarships and Bursaries, discounts on fees are available to children of the clergy and to third and subsequent siblings, whilst at least three children attend the school.

The King's School Tynemouth has charitable status. Every effort is made to keep the fees as low as possible, consistent with the high standard of education provided, but prompt payment of the fees is essential if the school is to achieve its aims.

Fee invoices are despatched at the beginning of the holiday prior to the relevant term, with fees due on the first day of that term.

The School operates a direct debit system by agreement, allowing a full year's fees to be paid by monthly instalment over the ten month period from September to June.

The tuition fee is fully inclusive and no charge is made for extras such as examination fees, personal accident insurance and travel insurance for school trips.
