INDIVIDUAL MUSIC LESSONS

With hundreds of instrumental lessons being taught each week, it is not possible to teach everyone in the lunch break. These times are kept for senior students taking examination courses. Lessons for pupils in the Lower School are organised on a rotational basis during the school day, with the aim that the same school period is not missed more often than is absolutely necessary. This will be kept under constant scrutiny.

Lessons will be £140 per ten-lesson term (each lesson 30 minutes). Invoices to parents are sent out by the instrumental teacher at the beginning of each term and payment is made directly to the instrumental teacher.

Although lessons normally start at the beginning of a school term, if students decide during the course of the term that they would like to have lessons at school, please contact the Director of Music and we will do everything we can.

ASSOCIATED BOARD EXAMINATIONS

Often students work towards the Graded Examinations of the Associated Board of the Royal Schools of Music. The King's School is a centre for both Theory and Practical examinations; these are held three times per year.

Music Venues:

<i>KH</i>	The King's Hall, Chapter Building
<i>Studio</i>	Music School Rehearsal Studio, Oswin Building
<i>OC1</i>	Music School IT Suite, Oswin Building
<i>OC2</i>	Music School Academic Classroom, Oswin Building

Pupils are reminded of their responsibility to inform the Director of Music in advance if for any reason they are unable to attend any of the scheduled rehearsals or tutorials outlined above.

The Music School's facilities here at King's are open from 8am until 6pm for any students wishing to practice.

If you have any questions, queries or concerns about any aspect of music at the King's School then please do not hesitate to contact the Director of Music on **0191 258 9115** or at **music@kings-tynemouth.co.uk**.
